

# Pay Cargo – Making Payments

## Access Pay Cargo for payments

GCT Bayonne has partnered with PayCargo to offer a direct payment site  
<https://gct.paycargo.com>.

The direct link allows payments to be made via Credit Card or ACH accounts. Both payment options apply payment to a unit immediately. Payments can still be made by going to <https://www.paycargo.com/#/home> directly.

For either site, you would need a pay cargo account. These accounts need to be created on the Paycargo website.
